Aluminium Conveyors

Various Conveyors in the Textile Industry

Conveyco has over the years evolved into a leader in the material handling industry with a product range offered by few. The introduction of our new aluminium conveyors to the industry, has catapulted Conveyco into world-class status.

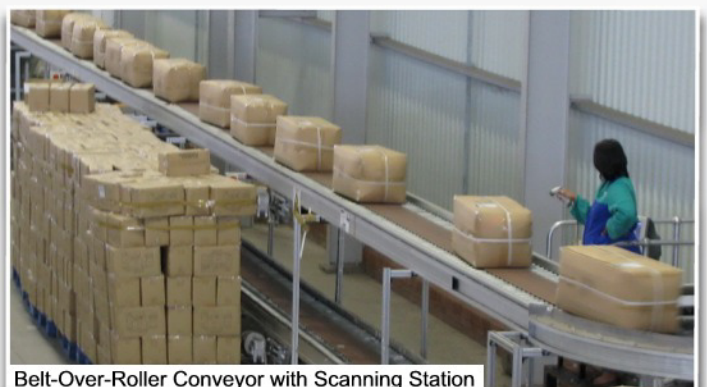

Live Roller Conveyors with Push-Over Transfers

Benefits of using Aluminium Products:

- Modular systems
- Quick assembly
- No treatment or painting required
- Parts are re-usable reducing the cost of modifications, additions and change
- Off-the-shelf purchases
- Short delivery time
- Ultimately reducing project turnaround times and costs
- Lightweight
- Excellent corrosion resistance
- Attractive appearance
- Low maintenance requirements
